

2009 Baseball State Champions Throughout the Nation

Note: some states use different names for classifications, in which cases the smallest division is shown below as 1A for standardization purposes; states that split public versus private schools into separate classifications are shown below only with the public classifications' champions (subdivision teams are also excluded), however none of the subdivision or private school champions had as large of a margin of victory in a shutout as Eaton; data compiled from MaxPreps.com

| Championship Games Won by 10+ Runs | | Championship Game Shutouts | | | Championship Game Shutouts Won by 10+ Runs | | |
